

Thimbles

Casing & Slip-Through Thimbles

• Special Stiffening Bar

- ✓ Specially designed for braided slings and single wire rope slings
- ✓ Traceable
- ✓ Ears can be easily peened over to retain wire rope
- ✓ High strength casting
- ✓ Designed to resist elongation from proof loading
- ✓ Special “stiffening Bar” to prevent eye collapse
- ✓ Protects wire rope from ‘mashing’ together and the top of the eye wearing excessively
